How to Book our Classes

Sew4Service offers a variety of classes taught in our Sewing Studios as well as in libraries, community centers, and schools. Our talented teachers bring years of experience working with people of all ages and abilities. This wealth of experience ensures a high-quality, hands-on learning environment for your patrons.

**We have teachers available in
Cuyahoga, Lake, Geauga, Summit, Portage, Medina and Stark Counties.**

We usually bring all the supplies needed for the classes, and charge a small fee per person to cover materials. Each class is designed to be taught by one teacher and is limited to the maximum number of attendees in order to give personal attention to each participant. We recommend adding additional classes of the same type, if needed, at an additional cost.

Sew4Service would like to be able to photograph participants to use in our marketing and social media. We would like to include a statement in the class description or ask participants to sign a permission form prior to the beginning of class.

If you would like to schedule a class, please contact

Lucy Kulbago at lucy.kulbago@sew4service.org.

Our mailing address is 291 E 222nd St., Euclid, OH 44123.

All checks should be made payable to Sew4Service.

Sew4Service is a registered 501(c)(3) non-profit organization.

Sew4Service is a community of service-minded, creative people who sew, quilt, crochet, and knit. We accept donations of supplies and equipment in order to upcycle fabric and yarn into handmade items, which are in turn donated to local charities. We teach people new skills to empower them to be confident creators and to touch the lives of people and pets in their community. We promote sustainable sewing through our upcycling, recycling and environmental impact programs.
